Dear Sir/Madam,

**Our organisation was set up in March 2002, with the aim of promoting the sport of Table Tennis within the Chinese community in the United Kingdom.**

**The Association will be holding National Juniors and Seniors Individual and Team Championships every year. The aim of these championships is to select Chinese players for the UK National Chinese Teams to compete in the Annual European Chinese Table Tennis Championship.**

**The Association also hopes to set up regional Chinese Table Tennis training centres all over UK. Clubs affiliated with the UKCTTA may be provided with financial assistance to run their coaching sessions and form Chinese squads for their clubs.**

**Other plans include hosting the Annual Chinese European Championship in UK, and assisting the best Chinese table tennis players for possible advancement of their skills – through training in China.**

**The Association is a voluntary organisation run mainly by Chinese volunteers and those who love to help Chinese people in the community. Its finance relies solely on sponsorships from individuals, companies and organisations.**

**The UKCTTA would like to know if your company would be interested in sponsoring our association. As a sporting organisation we have an excellent track record both in competition and the administration of our sport. Our association has already made a significant impact on the UK stage in table tennis.**

**Sponsorship of our association would raise the profile of your company amongst the Chinese community in the UK. In return for your donations to our association, your company would gain the following benefits:**

- The title sponsorship of the events.
- Cheque ceremonies/Launch ceremonies
- Prize/Trophy giving, photographs
- Branded column in our association's website
- Branding on all T shirts given to the winners
- Several feature articles in the Chinese newspapers and magazines
- Direct exposure to participants and spectators at the championships
- Promotional material, stand, banners, posters, etc.
- Possible coverage on Chinese European T.V

**We believe these benefits coupled with the positive association between our organisation are extremely worthy of your consideration. Further more, we, at UKCTTA, are very flexible as far as sponsorship is concerned. Should you have any specific requirements or would like to tailor a sponsorship to your marketing needs, we would be more than happy to discuss with you.**

**In the meantime if you would like to make a charitable donation, make cheques payable to UKCTTA at the above address or direct payment into the Association bank account detail as follow:  
UKCTTA; HSBC Bank, account number: 81565796; Sort Code: 400715**
